

Nehemiah 3:1-32, "God's Work Done in God's Way"

Why is this rebuilding of the wall account here?

1. By rebuilding the wall, they helped *reestablish* the Jews back in the Promised Land.
2. By rebuilding the wall, they displayed to the entire world: *God keeps His promises*.
3. By rebuilding the wall, they are encouraged to see *their identity* in this city: WORSHIP.

This is how the Body of Christ is meant to function:

1. They have a shared vision for their service: The glory of God (1 Cor. 10:31).
2. They have dedicated leaders setting the example & delegating the work.
3. They are workers willing to be forgotten.
